Eastern NE: , Hello Family, Greetings from The Eastern Nebraska Area. Things are kind of quiet in our area right now as we start to get geared up for the holiday season. SWINA will be hosting the Halloween Dance this year but we will be having our annual

Thanksgiving dinner as usual. Also we will be hosting the New Years Eve dance this year. All of this information is available on our web site. Some of the other things we have going on a regular basis are bowling the 2nd Fri. of every month and Frisbee golf every Sat. morning. Also let's not forget about Close Encounters. The dates for this /next year are Feb. 26-28. All of this info is also available on our web site. Our meetings continue to do well with good attendance and a steady rise in numbers. We currently have 29 groups with approx. 42 meetings per week. And as always we still have a need for trusted servants but somehow the services continue to be provided and the work is getting done. That's about it from Eastern. ILS, Mark B. and ENNA

TREASURER-Kevin C. Shellie nominated. Kirby 2nd.

Hello to all of you who may be checking out my BIO. My name is Kevin Conover and I am an Addict. And I am volunteering to run for your RSC Treasurer. So here we go. I don't have dates since the only one in my program that is really important is my clean date and that is December 27, 1994. I have been a GSR for my home group a couple of times along with secretary and treasurer. I have worn most hats at the ASC level. IE Chair, Vice Chair, PI Chair, Merchandising Chair (when we still had merchandise) RCM and Alt. RCM twice. (actually one of the times I was an ASR and Alt. But we have changed since them days.) I have had the honor to Chair the NRCNA and be secondary signer for our Lit. checking account. All of these commitments I have seen thru to the end with a couple at the group level longer. I have enough knowledge of the Steps and Traditions to get me into trouble. Along with some knowledge of the 12 Concepts of Service and what I don't know I can make up along the way. I know how to balance a check book. And know it is wrong to write them when the money is not there. I guess in a nut shell I have the willingness to serve and will do the best job for you that I can and won't run off with your money. Besides RSC doesn't generate enough cash to even make me think about it. And to give up what NA has so freely given back to me, things like morals and values. PRICELESS. In Loving service (most of the time) Kevin Conover 402-560-7167, Patrick Conover@windstream.net
