NRSCNA TREASURER REPORT

1-10-2009

Hello all, my name is Kevin Conover and I am your new Nebraska Regional Service Committee Treasurer. I would 1st like to thank Dan C for all the years he was our treasurer. I hope to do as well a job for all of you as Dan did.

As for our 2 signature checking account. It is not set up to be monitored for the correct 2 names on it. A while back we were asked if we wanted to keep this service. It would now cost us \$25.00 a month. That is \$300.00 a year. They will check if there is only one name on it though. I feel it to be an unnecessary expense.

I am going to try some new things and ask some help from all of you.

1. I am going to do most all of this electronically. I have set this account up so that I can get all the info online so that I don't have to wait for the statements from the bank. And since I don't have or want a key to the PO Box it should make this a bit easier.
2. As for DONATIONS; if your group or area is going to make a donation could you please include your GROUP'S name- AREA'S name- RCM'S name- and the amount of donation. This will help me keep it straight as to how I log it in the bookkeeping program. And will make the reports show who made what and when. If it is not on there I will just put it under misc. If you are going to make a cash donation, it would make my job a lot easier if you could round it to the nearest dollar. Last of my requests will be that you try and send your donations with your RCM and NOT mail them. Again I do not have a key nor do I want a key to the PO Box. So your donation could sit for quite awhile before it gets deposited. It would also make fewer trips for me to the bank.

So once again, thank you for letting me of service as your Region Treasurer. If you have any question feel free to contact me.

Kevin Conover

“virgins,” to their positions. So it is a privilege, to see our “new bloods,” spreading their wings and flying. Many are hopeful to see how, the new energy, with fresh ideas, will transform our Area, in the following year. We now have 4 different groups attending Area, with 18 Centers, in our town, continue to allow their residents, to attend 5 of our scheduled meetings. We as a fellowship are providing 4, different H&I meetings, with willing Recovering Addicts, who are carrying our message, a special thanks, to all of them. There has been a book frenzy, many buying the 6th Addition of the Basic Text, even though in our Area there seems to be some, of course, who are resistant to the change. We had a large order of literature “disappear” in the process of shipping, during the Holiday, and were delivered an empty opened box... the post office explaining that, if it was sent “Bulk” mail, they aren’t responsible for the contents. We of course, just hope, that God, or the postal worker, had some plan for such literature, and hope it gets into some addicts hands... for spreading our message, is our primary purpose. Thank you for letting me serve, ILS Wanda.

Central: Hello Family. Things are doing good with a lot more meetings and more interest in Area. I am happy to report that NRCNA 25 did very good and Linn will have a more detailed report. I am also happy to report that this is my last region meetings as RCM. There is a Valentine Dance and chili cook-off on Feb. 21 in Grand Island at St. Mary’s Division and Elm at 5:00pm there will be a speaker at 7:00pm and dance to follow. ILS Dan B.

Eastern NE: Hello Family. All is well in Eastern NE Area. We have most of our service positions filled at area level along with our sub-committees. Our meetings continue to grow in size and in numbers. Currently we have over 45 meetings weekly. Today as we meet our H & I sub-committee is hosting our JAIL HOUSE ROCK H & I training workshop. Other upcoming events include The CLOSE ENCOUNTERS CONVENTION being held Feb. 27-Mar. 1. We also have a bowling night which is the 2nd Friday of each month and Frisbee Golf every Sat. morning weather permitting. Please see our web site for more information. Speaking of websites we have noticed that some of our areas aren’t posting their functions on either their websites or the regions. If you want us to support your functions we have to have the info. Please take the time to find out how to post to the region site and take advantage of that service. Also please keep in mind that we DO NOT post anything that is not strictly NA. ILS Mark B. P.S. we have a new Alt. RCM, Stuart S. who wasn’t able to make it the quarter. Lets be sure to give him a nice welcome next quarter. Region donation for \$28.35

Elk Horn Valley: Hello Family. All is going well in Elk Horn Valley. We have donations for NRSC of 189.33 from our Area and 75.00 from the Easy rider group totaling 264.33. We started a new meeting Mon.-Fri. at 8:30am at the Easy Rider clubhouse. We are still working hard at H & I while taking meetings into 7 facilities. Our PI and Activities sub-committees are still getting newer members involved in service as well. So I guess all is going well in EVANA. Also mark your calendar for Zonal in Norfolk on March 6th, 7th,

Area Reports Cont.:

Elk Horn Valley Cont.: and 8th. We are very excited about this. ILS Mark W.

Fremont: Greetings from your family in Fremont. Our meetings continue to grow with more newcomers arriving all the time through the Doug. Court programs. Unfortunately I was informed that the meeting in Wahoo has been shut down. I had already sent our meeting changes in so it will still show on the region meeting list please inform your groups that it is not a meeting. We had a very pleasant PI presentation with D.C. we had an activity on New Years Eve and our Alt RD Pat came and did the leadership workshop with us and our activities committee is looking forward to more learning days at our functions. We raised some funds, for the upcoming freeze out which I of course want to mention... the freeze out will be Sat. March 14th and Sun. March 15th Rocky will be speaking Saturday and some Christy girl will share on Sunday morning. Oh and pre-registration flyers and maps are on the table. Our area is donating 3.00. Point of Freedom Group is donating 47.00. ILS Burt M.

Great Plains: Greets Family from Great Plains Area. All is well in our Area, with good meeting attendance. We have a \$40 donation from the Sunday Noon Group, and a \$40 donation from Thursday's Day by Day Group. We have submitted a motion to host the next region on April 11, 09 to coincide with our Casino Night fundraiser for NRCNA 26. ILS Kirby Z.

New Beginnings: Hi family since the last time we were together our area has positions filled and some vacated. We now have a PI Lynnette F. (Hasting). Policy-Tom B Hastings. Area Secretary Brenda B. also Hastings NE. Also new beginnings area has donated \$25 to region. ILS Paul M.

Platte Valley: ABSENT

Southeastern: Hi. Pleased to report donations to region of \$80 from Happy Havelock. \$35.75 from Sunday Morning Reflections and \$10 from Sunday Morning Reflections. Also \$20 from Thursday How & Why. Meetings are growing, with new meetings starting in the area. Would like to thank the RD and Alt RD for presiding of the leadership discussion workshop. Much was revealed to all who attended and a cool meeting afterwards. This will be my last RSC for a while as RCM at least Shellie H. has been nominated for RCM. Flyer attachment for May 9, 09. ILS Jerry W.

RD Report: We attended 3 area ASC this past quarter and did 2 leadership workshops. If anyone wants us to do the discussion topic in their area please get in contact with Mary r or Pat W. Please let us know at least a month ahead of time. Nothing else to report at this time. ILS Mary R & Pat W. P.S. Plain State Zonal will be March 6th-8th in Norfolk.

Sub Committees:

Sub Committees Cont.:

H&I Cont.: region to fill needed spots in H&I meetings. We would like to nominate Jerry W. for H&I chair. He was voted unanimously by our committee to be nominated by the Regional H&I committee. Resume is included. Dale B.

Outreach: Sent out a starter kit to Great Plains and a meeting has started. If any Areas would like a kit let me know today. The kits cost 5.80 + shipping (no discount)=\$6.15 with out any mailing costs. If the \$100 motion passes we can order 4 per region meeting. If anyone has more ideas on Outreach email, call, write, or come and see me at Gary DeBerg 13065 Hwy 34 Malcolm NE 68402 402-796-2333 GDEBERG@UNL.EDU

P.I.: Hello Family. Much was talked about redoing the meeting schedule on the web so that all cities are listed under that city's area along with that area's hotline, info or contact number. The purpose would be to help those addicts visiting our region to get the phone number for that area to get better info. As usual please send all meeting changes to info@nebraskna.org as soon as you get them. Coming up at Zonal there will be a PI presentation workshop and we will be getting our sign and info packets for future presentations and will be available for all areas to use. Thanks ILS Dagwood.

Policy: Hello Family. Things are progress. Soon I'll be able to have an updated policy if my fingers don't give out. ILS PonyBoy

NRCNA 26: no report

General Assembly: Our topic was "Solutions to Placing Principles before Personalities." Rocky-looking at someone else-judgment, look at self level of accountability makes it easy for him he can't judge others

Brian-Don't go to meetings where others go. Take what I want leave the rest. Do it to best of ability spiritual principles. That why many addicts don't return.

Dean-Don't have to like everyone but have to love them. Needs to listen use higher power. Get rid of stink thinking. Accept everyone.

June-Pray about it to listen what she said and now her sponsor-wanted to leave rooms
Shawn-Not best individual rub others wrong way Only human Only requirement desire to stop using let people change on their own. Turn it around and look at yourself

Mark-All about me, a lot about you, here to recover-be best person, you can be. My principles before my personality. Felt like wasn't welcome in rooms situation I created. Find out who friends are. Associates are. Know lots of people fit friends in two hands. Focus on solutions not problem-focus on the good people. Need the friends!! Do things need to be doing.

Dagwood-Solutions to principles before personalities. Issues come up between whoever Area Region-individuals to busy bitching-should apply principles look at problem and seek solution. Ain't happy with what's going on

Tommy-We are a fellowship of men and woman who care about dying addicts. Remind

General Assembly Cont.:

Tommy-self people care.

Gaylon-Go to Book Tradition 12 last paragraph pg.

Mike-Cliché-remember shape conditions love felt at 1st meeting. Said keep coming back. People had to remind him where he came from. Who am I to judge who is right or wrong higher power job.

Brent-Hard to work on human and addict am going to judge-turn it around to positive-not repeating stuff never let any one run him away. Friend of his disease trying to get him everyday. Don't hate-despise maybe. Practice in all his affairs. Don't look for payment depends on spiritual growth.

Paul-1st time back and NA-mind crispy-reason for one damn reason try to stay clean.

Expect hug and didn't get it. Newcomers most important person. Kept going to different meetings longer kept coming back more he learned personality is just personality.

Wendy-Acceptance-People not going to like and people not like me. Hard to put principles before personalities. If fell don't have principles we are all different- part of blessing in life. Had to work on acceptance.

Kirby-something reminds them of self only. Person to fix is me. Need to be forgiven due to what others forgave me.

Gary-Few years to learn-People talk about me-good-how little or how much talking about him. Its either true or false, don't car-if give me a present don't take it sill belongs to you. Only have to today. Can control future-delusional.

Jason-Read principles before personalities before thought about it. Got into service seen to people working together- that sparks usually flew. Was good to see character defects fastest react to worse. Look at me people who pissed me didn't get better I did.

Kevin-Very passionate about NA and views. Some one else look at it different-have different opinion get ego out of way. Look back at what go me here. NA taught respect views regardless-let go and let have own brain. Learning and growing process.

Melissa-Look at own behavior-trying to build foundation but was breaking it instead. Call them on behavior-without yelling and screaming.

Topic for next meeting-Area Planning Tool-Mark B. to lead discussion.
