

## “More Will Be Revealed”

As our recovery progressed, we became increasingly aware of ourselves and the world around us. Our needs and wants, our assets and liabilities were revealed to us. We came to realize that we had no power to change the outside world, we could only change ourselves. The Program of Narcotics Anonymous provides an opportunity for us to ease the pain of living through spiritual principles. -Basic Text, Sixth Edition, Page 101, pg1

### Just For Today

Tell yourself:

JUST FOR TODAY my thoughts will be on my recovery, living and enjoying life without the use of drugs.

JUST FOR TODAY I will have faith in someone in NA who believes in me and wants to help me in my recovery.

JUST FOR TODAY I will have a program. I will try to follow it to the best of my ability.

JUST FOR TODAY through NA I will try to get a better perspective on my life.

JUST FOR TODAY I will be unafraid, my thoughts will be on my new associations, people who are not using and who have found a new way of life. So long as I follow that way, I have nothing to fear.

## Why should I pre-register?

Pre-registration is vital to the convention planning process. When you pre-register, you help to pay for the convention meeting space, services, equipment, printing of the programs and brochures, and other necessary expenses prior to convention. It is also easier to adequately plan for attendance and hospitality. For these reasons, we ask that if you can, please take advantage of the discount offered and register today.

If you are physically limited in any way, or have other special needs of any kind please let us know in advance.

Also please *Reserve* your room as soon as possible because this also helps with the convention planning process. Ask for NRCNA 29 block of rooms. Rooms will be sold out in the Hastings area due to a girl's softball tournament!!!!!!
