Come join the fun! We will start serving food at noon. Please bring a friend, a newcomer and a side dish or dessert! And don't forget about the Raffle Items that will be announced through out the evening! If you have some NA items to donate, please contact the subcommittee member at the number listed below. We are self supporting through our own contributions... so all the door fees, food profits, and raffle ticket monies, will go to our convention. With that being said, please keep in mind, no addict will be turned away... our message is always free!!
