WHAT IS MZSSNA2018: The Symposium is a 3-day event which offers an opportunity for the exchange of experience, strength, and hope between members of NA service. This event, with its broad diversity of our fellowship, fosters the magic of service that happens when members gather from greater distances to share best practices in serving the suffering addict and fulfilling our primary purpose.

WHO ATTENDS MZSSNA2018: All/any NA members from anywhere in the world interested in learning more about carrying the message to the addict who still suffers, through NA service work. Registration available late 2017.

WHY MZSSNA2018: Through NA zones working together in a spirit of unity and cooperation to support the groups in carrying our message of recovery, the symposium's purpose is to inspire and instill in participants the joy of service by mentoring and learning collaboration.
