RD Report: Greetings Family,

To update you on RD activities, I conducted a CBDM workshop at the Grand Island Area Business meeting on August 10, 2014, and Brian S. was present to assist. Another CBDM workshop was conducted today, at the General Assembly, to provide another option of Consensus Based Decision Making.

On September 25th-28th, Brian and I attended the Multi-Zonal Service Symposium (MZSS) and the Plains States Zonal Forum (PSZF), in St. Louis. Excluding the 2 of us, 5 other Nebraska members attended. Brian will fill you in on the workshops in his report. I want to point out that all workshops, including power point presentations, audio, handouts and audience responses, are located on the internet at www.mzssna.org, under "Workshop Archives". These will be available for 1 year, and may be accessed and used by any member.

News from NAWS

The new IP#29 - An Introduction to NA Meetings, is now in print and I have purchased a packet of them to distribute to each of you today.

The Traditions Book Project is still an ongoing work in progress. Members and Groups who wish to be a part of this project should go to www.na.org/traditions, to learn how to provide personal input, or conduct workshops to do Group input. They are currently asking for your experiences with Traditions 6-12. The workgroup should have the Introduction and Tradition One ready for review and input soon.

Virtual workgroups are being established for RD sharing and project workgroup participation.

An Inmate Step Writing webinar will be held October 22, 2014. NAWS wishes to invite all members into the process. To join, you must contact HandI@na.org to provide them your name, email address, trusted servant position, and Region.

The Service System Project will be hosting two webinars focused on implementation of a Local Service Board (LSB) and Group Service Forum (GSF), for members interested in beginning the process. More information can be found at www.na.org/servicesystem.

The 2015 World Convention of NA will be held in Rio de Janeiro on June 11th-14th, 2015. The theme is “The Gift is Freedom”. Visit www.na.org/wcna for updated information.

News from Plains State Zonal Forum

This Zone was responsible for the inception of the MZSS, and substantially participated in the workgroup that made it possible. 236 members from 44 Regions were in attendance. All US Zones were represented, as well as the European Delegates Meeting Zone (EDM), Asian Pacific Zonal Forum (APF), and Canadian Zonal Forum (CANA). The MZSS workgroup decided to dissolve their committee and donate the net proceeds to WSO. After this function, several attendees are commenting they appreciated the training and sharing opportunities, as well as the collaboration between Zones. Many are volunteering to help on a future workgroup to make this happen again.

Elections of officers and committee chairs were held at the 9/28/14 PSZF business meeting:

Daniel C. (Mid-America Region) – Facilitator

Amber C. (Mid-America Region) – Secretary

Mark B. (Nebraska Region) – Treasurer

Carol P. (So. Dakota Region) – PR Coordinator

Bob K. (Iowa Region) – Web Servant

The new Web Servant wishes to create a team to help train new web servants. He asked that we see if any members in our Regions are interested.

John S. (Mid-America Region) asked that we inform our Regions that he is willing to do PR/PI presentations and can be contacted at sstanley001@gmail.com or call him at 785-865-9999. His presentation is referred to as “The Road Show”.

The next Zonal meeting will be held January 23-25, 2015 in Texas, however the place is still pending.

RCMs, please inform your Areas and Brian S. and I will make ourselves available to visit your Area Business meeting and are available to present training workshops. You may contact me at dbrayant@gmail.com, or call me at 402-910-1061.

In loving service, Diane K., RD

Alt. RD Report: Hello family,

Thank you for the opportunity to serve and a once more at this level of service. I'd like to start by saying what a great experience it was to attend the multi zonal service symposium. They had awesome workshops with a wide spectrum of topics. One of the things that impressed me was the people who put this together done it on Skype and a lot of them had never met until the symposium. I believe 46 regions were represented there. And all the zones in the US had someone from their zone there. Also EDM Asian-Pacific and Canada were also present. Now for our zonal it was held on Sunday morning and some of the things that I heard where they have put together a PR work group that is willing to travel to any region and help you do PR presentations and training! I was surprised to learn that Kansas and Oklahoma has joined along with Iowa in consensus-based decision-making process at the regional level and have changed their subcommittees to project driven workgroups. They said they seem to be more effective in getting services for NA completed. The Midwest Governors conference on gambling addiction will be

attended by our zone again! On June 25 and 26th the zone is submitting a proposal to do a PR presentation at that event the subject of this conference is recovery oriented system of care April 10th–12 Mid-America will be having their convention at the Hilton Airport Hotel in Wichita. Oklahoma will also be doing theirs and will be doing fellowship development April 10th–12 at the Reed center in OKC! The next zonal will be in Texas January 23rd–25th either Abilene or Texas. I save this for last because I hope you will at least go online and check this out. All the workshops but one is available online at the mzssna.org

Sub Committees:

NRCNAXXXI: NRCNA came off without any major problems and I believe everybody had an enjoyable time. The motel was very pleased with the behavior of the people present and did provide a very good working relationship with the committee.

The committee is returning a partial return of funds holding back a reserve to clear up final billing and should be able to turn in the rest at the January regional.

As the committee chair I was very pleased with the work of the committee and our efforts from the last two years paid off with the smooth running of the planned activities.

On a personal note I've been very humbled by the vote of confidence that had been placed on me and would like to thank everyone involved for their hard work and dedication to this convention. It's been an honor to serve.

In loving service Jerry P.

Attached at the end of the minutes is the expense report.

NRCNAXXXII: Hello family,

Addict named Donald, we have been way behind in getting things ready for this convention as you are all aware. Due to a lack of time we took it upon ourselves to get things started before the vote was actually officially in. The central area voted me in as Chair of the committee and I hope that is okay with you all. We sent that in with the bid so you all would be aware.

Since then we have accomplished quite a bit as we were meeting every week for a couple months. Now we are back to meeting every month or two weeks if needed. I would like to let everyone know we are accepting help if anyone here would like to get involved and help.

So far we have voted in and got all positions filled, and they are as follows:

Chair: Donald P., Vice Chair: Mike L., Secretary: Paige G., Treasurer: Sue H. Sub-Committees: Hotel & Hospitality: Larry F., Programming: Candy F., Fundraising & Entertainment: Vicki P., Merchandising: Monty F., Registration: Tracy K. and Wendy U.

Our first order of business was to vote on a theme and we came up with: 'Hard Won Experience.' We also got the artwork done and voted on for the preconvention t-shirts and the t-shirts to be sold at the convention. We ordered and received 100 shirts to start selling at NRCNA XXXI and fundraisers throughout the state. We are still listening to speaker cd's and are in the process of getting that figured out. I hope I covered everything and if anyone has any questions or concerns please give me a call.

We also have a preferred date of September 25th – 27th 2015 @ Midtown Holiday Inn In Grand Island. We also had some of the merchandise handed over to us at the end of NRCNA XXXI. We don't have another meeting until next Sunday in which we will have an account of the items.

In Loving Service,
Donald P.

General Assembly: Today's workshop was on a new perspective of consensus-based decision-making, as provided by Chuck see Colorado and a map of California, during the multis almost there were some holes in them. This was a more simplified example of conducting business using CNDM. Approximately 10 members attended, and even though we were using the download of PowerPoint and audio from the workshop at the MZSS, we were able to pause it when needed, to answer questions. Thank you

ILS, Diane K., RDA

Policy: Dear family,

This committee is actively looking at making changes needed to our current policy so clarification can be made, so future changes are to come. As for today, the ad hoc committee formed at the last reason to look into the budget policy: funding review, will submit a motion to this body that will help clarify our prudent reserve.

ILS, Wanda G.

PI: Hello Family,

Dusty addict,

PI chair Brent was absent. Southeastern was the only ASC represented. We have a new PI chair Bekka, who is present today. Meeting lists are updated in available *note* wahoo meeting has been closed.

We did discuss a one 800 hotline for Nebraska not much else was discussed, we spent time exploring the goal of a region PI committee to Bekka.

We want to encourage all other ASC to either participate in the region subcommittee meeting or at least submit a report from your PI/PR committee.

Due to health issues I will no longer be printing the regional meeting listen. I am extremely grateful to have been given this opportunity to serve. Thank you!!!

ILS, Dusty

IT: My name is Dusty and I am an addict. It is very good to be here today. I wish I could say that I took the summer off to go traveling. But... I wasn't.

Let's get the business over first. Our website had 14,363 hits over the last six months, for an hour drove 2393 hits/month. The website was down for a couple of days. But it has been resolved. Due to health issues I will be resigning from my position as IT chair. It has been a very rewarding and learning experience, but I am trying to learn how to give my health priority. I think all of you for the opportunity to serve!

ILS, Dusty

ARCHIVES: Hello family

Thank you for letting me serve it's an honor.

We are missing three banners;

NRCNA 1987 Omaha

NRCNA 1989 in Grand Island

NRCNA 1991 in Kearney

Also we are missing cups from NRCNA 1-2-3 and 27. If you know anybody that has the banners or cups please contact Dick Thomas in Kearny at 308-440-8587

I have taken pictures of the shirts for those years and would like to have banners made of the T-shirt photo. The cost is \$27 each plus tax, that would be a 2' x 3' banner. Archives has the money and its budget to pay for this.

We have also taken one banner out of its frame and had it hammered and grommets installed. This way you can have it stored properly and hauled in a car instead of the back of a truck, the cost was \$43 we have four or five more banners to fix. Some can be hemmed and a couple should be replaced. I hope to get a good picture and have a full-color 2' x 3' banner made, at the cost of \$27 each.

Because of having so many banners I suggest that when the condition of the banner gets poor, we replace them, and that we use a standard of 2' x 3' one possible. And last but not least we had a great time at NRCNA 31 thanks for all of your hard work.

Dick: three banners are missing \$27 apiece 87 Omaha 89 grand island 91 Carney want to point it out it's okay to print banners because it falls under archives responsibility and does not exceed his budget. Reference archives report

Diane K. Discussed possibly forming a western Nebraska area with North Platte, Chadron, alliance, Scotts Bluff, and asking for support.

Brian S brought up discussion about consensus-based decision-making, and if our areas and home groups have been discussing the possibilities of change or entertaining the idea. Talking about educating each other so people are informed. Having workshops.

Time was extended

Dusty brought up websites and not being comfortable letting it die unattended and also the phone and meeting less staying updated.

Checks from Brent's PI report or never given to Dusty or written out in case anybody wonders where the money is.

Shane has \$73 for Dusty for meeting lists. And talked about subcommittee budgets and maybe getting together to discuss it and maybe start auditing the funding to bring more accountability.

Dick: our storage is not being used as a warning if we really need it.

Meeting lists are on publisher and can be accessed by anyone. They just need the password. This was done to save time retyping them every quarter.

We need to take back to areas in groups IT, vice chair, and chair is open and need a nomination.

Our chair has informed Dustin he was stepping down as chair due to work schedule.

Susan S: feeling uncomfortable with Brent needing to bring back the money he was given for PI.

Mark B. Willing to make the thousand copies of meeting list for January with the reimbursement.
