Why should I pre-register?

Pre-registration is vital to the convention planning process. When you pre-register, you help to pay for the convention meeting space, services, equipment, printing of the programs and brochures, and other necessary expenses prior to convention. It is also easier to adequately plan for attendance and hospitality. For these reasons, we ask that if you can, please take advantage of the discount offered and register today.

If you are physically limited in any way, or have other special needs of any kind please let us know in advance.
