Special Needs:

WHY REGISTER ?

Registration is vital to the convention planning process.

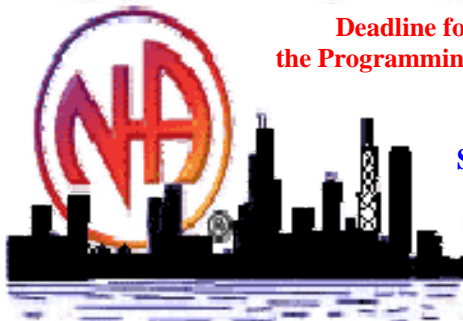

When we register, we help to pay for the hotel facilities, associated services, equipment, printing of the programs, brochures, flyers and expenses prior to convention. Registration entitles us to attend entertainment that requires a ticket. Our 7th Tradition states that "we ought to be fully self supporting declining outside contributions" For these reasons we believe that this will bring the feeling of self-worth and unity that's essential to recovery. If you are physically limited in any way and have any special needs, please specify them in advance.

Deadline for Submitting Speaker CDs/Tapes to the Programming Committee is September 30th, 2008

We would like to come and sell Registrations at your function

Registration Chair:
Yulanda T. 773-430-0560
Registration Co-Chair:
Chris D. 773-818-7243
