

When we reach out for help, we
can receive it. We come
here powerless, and the
power we seek comes to
us through other people in
Narcotics Anonymous,
but we must reach out for it.

Closed meeting: for addicts only.

A closed meeting in Narcotics Anonymous is for those individuals who identify themselves as addicts or for those who are uncertain and think they might have a drug problem.

A closed Narcotics Anonymous meeting provides a freedom that is necessary for more personal and intimate sharing by Narcotics Anonymous members. It does so by providing an atmosphere in which addicts can feel more certain that those attending will be able to identify with them, and share their own experience, strength, and hope.

Anonymity is the spiritual principle of all our traditions.
